Max Logistics was established in 3rd August 2003 in Hong Kong, Asia's logistics hub, under the slogan "To maximize your value". With the goal to become a Global Forwarder, we continue to expand our branch networks throughout China and Southeast Asia to accommodate the logistical needs of the fast-growing regions of China.

Here at Max Logistics, we put customer satisfaction before anything else and provide full range of world-class logistical services such as air/ocean transport service, warehouse service, inland trucking service with professional human resources.

Max Logistics promises to not only become a credible business partner but also to raise customer values through cost competitiveness, vast expansion of logistics networks and continuous cultivation of human resources.
